- 21 Intellectual property**
- 21.1 Intellectual Property Rights in or arising out of the Service will be owned by Onecom save to the extent that any of them contain Intellectual Property Rights owned by third parties.
- 21.2 If Onecom provides Software so the Customer can use the Service, Onecom gives the Customer a non-transferable, non-exclusive licence to use the Software only for the purposes and in the manner set out in the Contract, and for the period during which Onecom provides the relevant Service. The Customer will comply with any third party terms that apply to the use of the Software.
- 21.3 The Customer will not and will ensure that its Users do not, copy, decompile, modify or reverse engineer any Software, or allow any third party to do so, except with Onecom's prior written consent.
- 21.4 If the Customer's use of the Service infringes, or allegedly infringes, a third party's Intellectual Property Rights, Onecom will indemnify the Customer for Claims, losses, costs or liabilities brought against it provided the Customer:
- 21.4.1 notifies Onecom promptly about the Claim;
- 21.4.2 allows Onecom to conduct all negotiations and proceedings and to settle the Claim;
- 21.4.3 provides Onecom with its reasonable assistance regarding the Claim; and
- 21.4.4 does not attempt to settle the Claim or make any admission or public statement relating to it, or do anything that may harm Onecom's defence of it.
- 21.5 The indemnity in clause 21.4 will not apply to any part of a Claim that results from or is connected with:
- 21.5.1 the Customer's use of the Service with equipment, software or another service not supplied by Onecom;
- 21.5.2 any modification of the Service, other than by or on behalf of Onecom;
- 21.5.3 any content, designs or specifications that have not been supplied by or on behalf of Onecom; or
- 21.5.4 the Customer using the Service in a way not agreed in writing by Onecom.
- 21.6 If using the Service leads, or is likely (in Onecom's reasonable opinion) to lead, to a Claim against the Customer as described in clause 21.4, Onecom may (at its own expense):
- 21.6.1 procure the right to continue the Customer's use of the Service; or
- 21.6.2 modify or replace the relevant parts of the Service so that using the Service no longer infringes third party Intellectual Property Rights, provided performance of the relevant parts of the Service is not materially affected.
- 22 Data protection**
- 22.1 The Customer's privacy and personal information are important to Onecom. Any personal information that the Customer provides to Onecom will be dealt with in line with Onecom's Privacy Policy, which explains what personal information Onecom collects, how and why Onecom collects, stores, uses and shares such information, the Customers' rights in relation to their personal information and how to contact Onecom and any supervisory authorities if the Customer has a query or complaint about the use of the personal information.
- 22.2 Onecom's Privacy Policy (as amended from time to time) is available at <https://onecom.co.uk/privacy-policy/> (or any other online address that Onecom advises the Customer of).
- 23 General**
- 23.1 Assignment and other dealings**
- 23.2 Onecom may at any time assign its rights under the Contract and may subcontract or delegate in any manner any or all of its obligations under the Contract to any third party.
- 23.3 The Customer shall not, without the prior written consent of Onecom, assign any of its rights or obligations under the Contract
- 23.4 Waiver**
- Even if Onecom delays in enforcing the Contract, Onecom can still enforce it later. If Onecom does not insist immediately that the Customer does anything that is required under these terms, or if Onecom delays in taking steps against the Customer in respect of the Customer breaking the Contract, that will not mean that the Customer does not have to do those things and it will not prevent Onecom taking steps against the Customer at a later date. For example, if the Customer misses a payment and Onecom does not chase the Customer but Onecom continues to provide the Goods and/or Services, Onecom can still require the Customer to make the payment at a later date.
- 23.5 Severance**
- If a court finds part of this Contract illegal, the rest will continue in force. Each of the paragraphs of these Conditions operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.
- 23.6 Third party rights**
- No one other than a party to the Contract shall have any right to enforce any of its terms.
- 23.7 Governing law and jurisdiction**
- The Contract, and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims), shall be governed by, and construed in accordance with, English law, and the parties submit to the exclusive jurisdiction of the courts of England and Wales.
