

Conference calls made easy with Onecom

Keep in touch with your team, clients, partners or suppliers with a low-cost, feature rich, fully secure conference calling service for just 3p per minute, per user and no contract.

No set up needed!

You'll get a conference number, pin code and chairperson's code - that's all you need to start using your new conference bridge. Simply send out an invite to your guests with the conference number and pin, and you'll be able to host a quality conference call with up to 200 participants in seconds.

Your guests will dial a number that is charged at standard rate. You, the host will simply pay 3p per guest per minute.

There are no set-up costs or monthly fees and you can request as many conference lines as your business requires. It's a feature-rich, pay as you use service.

Other features

- ★ Schedule, start and manage your meetings online with Call Manager
- ★ Start meetings from your iPhone or Android with SmartMeet®
- ★ Simple short-cuts to help run the call, e.g.:
- ★ Enter *2 to record the conference
- ★ Enter *4 to get a roll call
